ORDER DISMISSING PROTEST

Filing ID #52100834

The protester, SRECTrade, Inc., filed the present protest on April 7, 2013, challenging an alleged award of a sole source contract by the District of Columbia Department of General Services to Customer First Renewables, LLC for services related to wind and solar energy purchasing. (*See generally* Protest.) On April 29, 2013, the District moved to dismiss this matter based upon its decision to take corrective action in the subject procurement by cancelling the proposed sole source award and announcing its intent to issue a competitive solicitation for the required services. (Dist. Mot. to Dismiss 1.) In light of the District's proposed corrective action, the protester also moved to withdraw its protest on May 1, 2013. (Protester Mot. to Withdraw 1.) Therefore, the Board dismisses this protest as moot.

SO ORDERED.
